

Yann Tiersen, While You Sleep

Temptation red
Inside my head
Temptation red
Inside my head

You're so innocent
When you sleep
You're so innocent
When you sleep

Oh my darling
You're too good to eat
Oh my darling
You're too good to eat

You're so innocent
When you sleep
You're so innocent
When you sleep

Come on, come on
This can't be wrong.
I'd put you in a bottle
I'll take you away from harm

Come on, come on
This can't be wrong
I'd put you in a bottle
I'll take you away from harm

Come on, come on
This can't be wrong
You're so innocent
When you sleep
