

# Yanou, Children Of The Sun

All the people  
Go get together and hear me sing  
My song of freedom and love  
In a world of children that cries no more

One race, one heart  
It's all leaving you if we've gone fall apart  
Live up, I don't give up

We are the children of the sun

We are the children of the sun  
Me sing the children of the sun  
(\_\_\_\_\_ same race)  
And if we fight for our rights we become

Children of the sun  
(Children of the sun we are)  
Together one by one  
Me sing the children of the sun  
(\_\_\_\_\_)  
And if we fight for our rights we become  
(We are the children of the sun)

(We are the children of the sun)

All the people  
Go get together and hear me sing  
My song of freedom and love  
In a world of children that cries no more

One race, one heart  
It's all leaving you if we've gone fall apart  
Live up, I don't give up

We are the children of the sun

(Children of the sun we are)

We are the children of the sun
