

# Yarabi, I amar (english)

1.

I remember when you took my pain  
only you can name me, hold again  
I can hear the voices in my head  
calling out my name, I am afraid

2.

Don't you speak? my love beyond the sky  
take away my fear and make me fly  
only you can walk, into the past  
I will follow you into the dusk

3.

Far away from home into the dark  
I am all alone, we doubt that hard  
Searching for the light within my mind  
I am lost in time, forever blind
