

Yarabi, Otilka

I:

Open up your eyes and realize

I'm gonna take you high

Far away

In the night

I will make you go away and then come back again to me

I am now

In control

Chorus:

Otilkanitika, Otilkanitika

Stay with me tonight

aaaa

Otilkanitika, Otilkanitika

Don;t you see

aaaa

II:

You will follow everything i do

And everything i say

Fly away

Go away

Far away

I will never be alone

I will never be afraid

Take me there

Far away

Chorus:...
