

Yarabi, Yarabi (English Version)

I.

Close your eyes and follow me
into the mistery .
Of the land behind the sea ,
remember me .
Take me higher in your dreams .
Show me all the things I miss .
I give my soul ,
give me your lips.
Runaway into the night ,
Wake me up into the light.
Give me the after life.

II.

Leave me up to wish the sky,
together we can fly.
On the other side I wait , forever .
Take me higher in your dreams .
show me all the things I miss .
I give my soul ,
give me your lips.
Runaway into the night ,
Wake me up into the light.
Give me the after life.
