

Yardbirds, Drinking muddy water

Ah, ah, ah, ah...

Well I've been running and a-hiding,
Trying to lose my mind.

Well I've been running and a-hiding,
Trying to lose my mind.

Ever since you told me,
That you weren't my kind.

Ah, ah, ah...

Drinking muddy water,
I don't know how long for.

I been drinking muddy water,
I don't know how long for.

Since I been running, babe,
I been treating you like a dog.
