

# Yattering, Murderer (You Are)

[Music: Yattering, Lyrics: Jhabba]

It comes unexpectedly  
Breaks dream...  
Disrupt skin  
Penetrates inside  
Disrupt entrails  
Body's burning  
Murderer!!!  
(You are) murderer  
Thirst for death  
Escape from the pest  
Nightmare of killing  
Seized inside demands blood  
You move on hunt, satisfying  
(Your) wildest instincts  
Murderer!!!  
(You are) murderer (you are)  
Excitement with blood tearing of inert body  
Violation of innocence for satisfying greed  
It comes the end  
Of perverted game  
Death...
