

# Yattering, Rapist's Victim

[Music: Yattering, Lyrics: Czarna Zuza]

No one will hear you crying  
You are alone with your pain  
Pain and fear are the price  
Of the rapist's pleasure  
Orgasm through torture  
Innocent screaming victim  
Darkness full of fear  
Can you imagine that??  
Why?? Why??  
You'll never forget it  
Dirty stink of the rapist's body  
No one is going to help you  
Cause the world doesn't care  
F\*\*king enemy  
Without human feelings
