## Yazoo, Only you

Looking from a window above Is like a story of love Can you hear me? 'Came back only yesterday We're moving further away 'Want you near me All I needed was the love you gave All I needed for another day And all I ever knew... Only you Sometimes when I think of her name When it's only a game And I need you Listen to the words that you say It's getting harder to stay When I see you All I needed was the love you gave All I needed for another day And all I ever knew Only you This is gonna take a long time And I wonder what's mine Can I take no more? Wonder if you'll understand It's just the touch of your hand Behind a closed door All I needed was the love you gave All I needed for another day And all I ever knew... Only you
