

Yazz, Bad Connection

Morning this morning the curtains are shut
Ill ring you in the morning but the phones been cut
Can you hear me Ive been calling all day

Can you hear me

The radio reporter said the lines all dead
He told me that I oughta write a letter instead

Can you hear me Ive been calling all day

Can you hear me

Chorus

Id wish theyd fix the wires cause my baby wont know

That Im leaving in the morning and Im ready to go

Can you hear me

Can you hear me at all

Gotta get the operator make a telephone call

And if I write a letter it wont get there on time

Ill only reach you baby on the telephone line

Can you hear me

Ive been calling all day

Can you hear me

My cars already and my bags are all packed

Im late already and I wont be back

Can you hear me

Ive been calling all day

Can you hear me

Repeat chorus

Ooo can you hear me
