

# Yazz, Only You

Looking from a window above, its like a story of love

Can you hear me

Came back only yesterday

Im moving further away

Want you near me

(chorus)

All I needed was the love you gave

All I needed for another day

And all I ever knew

Only you

Sometimes when I think of her name when its only a game

And I need you

Listen to the words that you say its getting harder to stay

When I see you

(chorus)

This is going to take a long time and I wonder whats mine

Cant take no more

Wonder if youll understand its just the touch of your hand

Behind a closed door

(chorus)
