

Yazz, Situation

Blue eyed dressed for every situation
Moving through the doorway of a nation
Pick me up and shake the doubt
Baby I cant do without
Chorus
Move out, dont mess around
Move out, you bring me down
Move out, how you get about
Dont make a sound just move out
I remember only for an hour
Move right through me can you feel the power
I dont know whats going on
It scares me but it wont take long
Repeat chorus
Now hes in control he is my lover
Nations stand against him hes your brother
Been a long time, been a long time now
Ill get to you somehow
Repeat chorus
