

Yazz, Sweet Thing

Hey, hey, hey, sweet thing
I give in
Sweet thing
I give in (submission)
(dont you want to right it, fight it)
Oh, no, if you dont think its right
Cant change your mind if I talk all night
(dont you want to right it, fight it)
Oh, no, cos nothing now can keep this a good thing.
Hey, hey, hey, sweet thing
I give in
Sweet thing
I give in (submission)
(dont you want to right it, fight it)
Just go.
I dont want to fight
Just take your things
And say goodnight
(dont you want to right it, fight it)
Just go.
cos nothing now can keep this a good thing.
Hey, hey, hey how could you be so unkind
When you were lying to me all the time
You dont need me now your life is fine
Its your day now, but its gonna be mine
Oh and what a sweet day.
Hey, hey, hey,
(submission)
(dont you want to right it, fight it)
Oh, no, if you dont think its right
Cant change your mind if I talk all night
(dont you want to right it, fight it)
Oh, no, cos nothing now can keep this a good thing.
Hey, hey, hey how could you be so unkind
When you were lying to me all the time
You dont need me now your life is fine
Its your day now, but its gonna be mine
Oh and what a sweet day.
Sweet thing - I give in
Sweet thing - I give in
Sweet thing - submission (I give in)
Sweet thing - submission (I give in)
Sweet thing - submission (I give in)
