

Yeah Yeah Yeahs, Art Star

I've been working on a piece that speak of sex and desperation.
I've been screwing on the tracks of abandoned train stations

One, two, three, four

Art Star [x4]

Do do do do do do do do do do [x4]

Art Star [x4]

I got a dealer in Tokyo

I got a rep in Paris

I got an agent in Rome

Shit

I got a gallery in New York!

Its a mad house this modern life

Its a mad house my faithless bride

Art Star [x4]

Do do do do do do do do do do [x6]
