

# Yeah Yeah Yeahs, Burning

Believer  
Took me over like a fever  
Caught you hiding in the smoke smoke smoke  
Like a meteor I glow glow glow

Ooooooh lay your red hand on me baby  
As I go

Into the sea  
Out of fire  
All that burning

Whatcha gonna do when you get to the water

Well I'll release her  
From the bindings of her teachers  
What their hiding there is broke broke broke  
Like the River Styx I flow flow flow

Whatcha gonna do when you get to the water

Into the sea  
Out of fire  
All that burning
