

Yeah Yeah Yeahs, Date With The Night

i got a date with the night
burning down my finger
gonna catch the kids dry
gonna walk on water
buying out the fight
we're sweating in the winter
both thighs squeezed tight
choke choke choke choke choke choke choke choke
don tell me to fix her
don tell me to fix her
just take a bite
no hanging no picture
flying out my sight
dropping brides at the altar
both thighs squeezed tight
choke choke choke choke choke choke choke choke
i'll set you i'll set it off
i'll set you i'll set it off
i'll set you i'll set it off I
i'll set you i'll set it off uh huh!
i'll set you i'll set it off
i'll set you i'll set it off
i'll set you i'll set it off
i'll set you i'll set it off off off
buying out the fight
gonna walk on water
gonna catcha the kids dry
gonna bend my finger
run 'em on outside
we're sweating in the winter
both thighs squeezed tight
both thighs squeezed tight
