

Yeah Yeah Yeahs, Hysteric

No longer, no longer
What you ask
Strange steps
Heels turn black
The cinders, the cinders
They light the path
Of these strange steps
Take us back, take us back
Flow sweetly, hang heavy
You suddenly complete me
You suddenly complete me
Flow sweetly, hang heavy
You suddenly complete me
You suddenly complete me
No wonder, no wonder
Other half
Strange steps
Heels turn black
The cinders, they splinter
And light the path
Of these strange steps
Trace us back, trace us back
Flow sweetly, hang heavy
You suddenly complete me
You suddenly complete me
Flow sweetly, hang heavy
You suddenly complete me
You suddenly complete me
Hysteric, hysteric
Hysteric, hysteric
Hysteric, hysteric
Hysteric, hysteric
Hysterical
