

Yeah Yeah Yeahs, Shame And Fortune

Shame is soft they say
Lose when I play your game
Come if you call my name
Lose when I play your game
You got an attitude
You got a way
All fortune on the floor
All fortune on the floor
All fortune on the floor
All fortune on the floor
Shame is soft they say
Lose when I play your game
All fortune on the floor
All fortune on the floor
All fortune on the floor
All fortune on the floor
