## Yeah Yeah Yeahs, Wolf

I'm hungry like a wolf I bleed like a wolf

I'm lost and I'm lonely I hunger for you only Don't leave me now Don't break the spell In heaven lost my taste for hell Taste for Hell

I'm hunted like a wolf I feed I feed Like a wolf

I'm lost and I'm lonely I hunger for you only Don't leave me now don't break the spell In heaven lost my taste for hell Taste for Hell

Into the wild with me Into the wild Into the wild with me Into the wild with me

Into the wild Into the wild
