

Yeat, Rich Minion

Ha (Huh?), hey bel, la bastichi
La papaya, du la potato (Yeah, la potato, oh, yeah)

I count money (Nuh-nuh-nuh, nuh-nuh-nuh, no)
I count money (Nuh-nuh-nuh, nuh-nuh-nuh, no)
I count money (Nuh-nuh-nuh, nuh-nuh-nuh, no)
I swerve in a Humvee (Nuh-nuh-nuh)
I just went crazy, I did it
I just went crazy, I did it, huh
I just went crazy, I did it, huh
I just went crazy, I did it
I made a song for the Minions, uh
How much they paid me? A million, uh
I shop and then donate to charity (Woo, I donate it to charity)
Take a cranky, I be smacking the ceiling, uh
I call my Minion my children (Children)
I call my children my Minions
We taking over the world (The world)
We make a whole lot of millions (Oh)

I need you to listen (Yeah)
I'm a rich Minion (Yeah)
We touch lot of millions
Yeah, I don't like Vector (I don't like— I don't like Vector)
Yeah, I don't like Vector (Take 'em out)
Yeah, my diamonds litter (Yeah)
I just pulled up in Tonka with all of the minions, we takin' a picture (Ooh, ah-oo)
I had to make me some sense (What?)
I had to make me some bands (Bands)
I had to make me some money (The money)
You know that I'm in high demand (A lot)
I called the Minion up and this what he said:
Ha (Huh?), hey bel, la bastichi
La papaya, du la potato (Yeah, la potato, oh, yeah)

I count money (Nuh-nuh-nuh, nuh-nuh-nuh, no)

I got diamonds on my body, I got every flavor
I'm in high demand, got a lot of millions
I got a high demand, I got all my millions, uh
I'm in high demand, I got all my millions
I'm inside that Tonka, inside with all my twins
Pull up with all my goons, pull up with all my Minions
If my Minions, they don't want you, we can't let you in
Made this song for like two million, you know I always win
Tried to save my Minions, make money, man, that's all we did
I call my Minions up, they said, "That boy on red"
It's bananas for the Minions and my pockets bread
We do not think 'bout these haters, we just count this bread

I count money (Nuh-nuh-nuh, nuh-nuh-nuh, no)
I count money (Nuh-nuh-nuh, nuh-nuh-nuh, no)
I count money (Nuh-nuh-nuh, nuh-nuh-nuh, no)
