

Yello, Capri Calling

It's the time of april snows
And how it shows
In hannah's eyes

Calling she's calling
Calling each midnight
Take me to new heights
Falling I'm falling
A secret power
Sweet with surprises
Leaves no disguises
When you feel pure

Until I'm yours...
It's the time of april snows
And how it shows
In hannah's eyes

Time and she's all (?)
A pool of thought
I sometimes call
In hannah's eyes
