

Yello, Get On

I want you to realize
Do you know you make me rise
Make me talking to the sky
Look at you, get mystified

I want you to exercise
You should know you hypnotize
Pictures, mirrors all around
Passion, love, lost and found

Get on, get on, get on, get on, take me
Get on, get on, get on
Get on, get on, get on, get on, right now
Get on, get on, get on
Get on, get on, get on, get on, take me
Get on, get on, get on
Get on, get on, get on, get on, right now
Get on, get on, get on

I want you to exercise
You should know you hypnotize
Pictures, mirrors all around
Passion, love, lost and found

Get on, get on, get on, get on, take me
Get on, get on, get on
Get on, get on, get on, get on, right now
Get on, get on, get on
Get on, get on, get on, get on, take me
Get on, get on, get on
Get on, get on, get on, get on, right now
Get on, get on, get on

I want you to realize
Do you know you make me rise
Make me talking to the sky
Look at you, get mystified

Get on, get on, get on, get on, take me
Get on, get on, get on
Get on, get on, get on, get on, right now
Get on, get on, get on

I want you to exercise
You should know you hypnotize
Pictures, mirrors all around
Passion, love, lost and found

Get on, get on, get on, get on, take me
Get on, get on, get on
Get on, get on, get on, get on, right now
Get on, get on, get on
Get on, get on, get on, get on, take me
Get on, get on, get on
Get on, get on, get on, get on, right now
Get on, get on, get on

Get on, get on, get on, get on, take me
Get on, get on, get on
Get on, get on, get on, get on, right now
Get on, get on, get on
Get on, get on, get on, get on, take me
Get on, get on, get on

Get on, get on, get on, get on, right now
Get on, get on, get on

Get on, get on, get on, get on, take me
Get on, get on, get on
Get on, get on, get on, get on, right now
Get on, get on, get on
