

Yello, Koladi-Ola

Koladi-ola
Koladi-ola
I'm gonna making
You wanna shake me
People sitting out of my mind
Koladi-ola
I'm going down
Everything's around
Everything is good and divine
I go bananas
Driving in my car
Trying not to lose my ways
Koladi-ola
Again
Koladi-ola
One more time
Koladi-ola
One more time
I'm going down
Everything's around
Everything is good and divine
And I said
Again
I go bananas
Driving in my car
Trying not to lose my way
Koladi-ola
Again
Koladi-ola
I'm gonna making
You wanna shake me
People sitting out of my mind
I'm going down
Everything's around
Everything is good and divine
Koladi-ola
