

Yello, More

You give me love
You give me fire
You give me more
Give me desire

You give me love
You give me fire
You give me more
Give me desire

You give me love
You give me fire
You give me more
Give me desire

You give me love
You give me fire
You give me more
Give me desire

You give me fire

Love
Escape
Rythm
Fever

You give me fire

Give me desire

I see your eyes
I can't escape
A serious case

Fever
Fever
Fever
Fever

You give me love
You give me fire
You give me more
Give me desire

You give me love
You give me fire
You give me more
Give me desire
