

# Yello, Time Freeze

You know the kind of feeling  
It hurts and there is no pain  
Time is crawling slowly  
Pumping through my brain

You know the kind of feeling  
Neither bore nor will  
Time is almost freezing  
Time is standing still

I wanna see you one more time  
Time for a fool  
I wanna see you one more night  
Night to be cruel

I'm rather scared to see you  
Even one more time  
I know it's time for leaving  
Cos' I'm afraid of love

You know the kind of feeling  
You're not getting what you want  
Time to be running  
I don't know where to go

I wanna see you one more time  
Time for a fool  
I wanna see you one more night  
Night to be cruel

I wanna see you one more time  
Time for a fool  
I wanna see you one more night  
Night to be cruel

You know the kind of feeling  
It hurts and there is no pain  
Time is crawling slowly  
Pumping through my brain

You know the kind of feeling  
Neither bore nor will  
Time is almost freezing  
Time is standing still

I wanna see you one more time  
Time for a fool  
I wanna see you one more night  
Night to be cruel

I wanna see you one more time  
Time for a fool  
I wanna see you one more night  
Night to be cruel

I'm rather scared to see you  
Even one more time  
I know it's time for leaving  
Cos' I'm afraid of love

You know the kind of feeling  
You're not getting what you want  
Time to be running  
I don't know where to go

I wanna see you one more time  
Time for a fool  
I wanna see you one more night  
Night to be cruel
