

# Yello, You Gotta Say Yes To Another Excess

One two three  
A little fool I want to be  
Two three four  
You can give me more  
Five six seven  
I don't want to wait for heaven  
Nine ten eleven  
Going back to seven  
Seven eight nine  
Kann denn das noch sein?

We love it  
We need it  
Excess  
We hate it  
We want it  
Express  
We feel it  
We get it  
Not less  
We need it  
We love it  
Excess
