

Yello, You Gotta Say Yes To Another Excess

One two three
A little fool I want to be
Two three four
You can give me more
Five six seven
I don't want to wait for heaven
Nine ten eleven
Going back to seven
Seven eight nine
Kann denn das noch sein?

We love it
We need it
Excess
We hate it
We want it
Express
We feel it
We get it
Not less
We need it
We love it
Excess
