

Yellow 5, All I Wanna Do

All I wanna do is love you more
All I wanna do is hold you tight
But you
Shut me
Out
All I wanna do is look at you
All I wanna do is kiss your lips
But you
Shut me
Out

Down any road you choose to roam
I'll be right there by your side
In memory

Can you hear me screaming?
Can you hear me call your name?
I believe in God and love
I believe he'll take care of you
For me

God can hear me screaming
He can see my tears
He can smell my frustrations
He can feel my pain

All I wanna do is feel your love
All I wanna do is smell your hair
But you
Shut me
Out
All I wanna do is talk to you
All I wanna do is see your eyes
But you
Shut me
Out

Down any road you choose to roam
I'll be right there by your side
In memory

Can you hear me screaming?
Can you hear me call your name?
I believe in God and love
I believe he'll take care of you
For me

God knows how much I love you
He knows how much you mean to me
But he can't make your choices
And he can't make mine

I see you've made your choice now
But guess what so have I
All I wanna do is
Die
