

Yellowcard, Don't You Forget About Me

Won't you come see about me?
I'll be alone, dancing you know
Tell me your troubles and doubts
Giving me everything inside and out
Love's strange so real in the dark
Think about the tender things that we were working on
Slow change can pull us apart
When the light gets into your heart
Don't you forget about me
Don't don't don't don't
Don't you forget about me
Don't you forget about me
Don't don't don't don't
Don't you forget about me
As you walk on by
(Will you call my name?)
When you walk away
Will you walk on by?
Will you call my name?
La la la...
