

Yellowcard, Everywhere (Michelle Branch Cover)

Turn it inside out so I can see
The part of you that's drifting over me
'Cause when I look you're you're never there
But when I sleep you're you're everywhere
You're everywhere
just Tell me how I got this far
Tell me why you're here and who you are
'Cause everytime I look you're never there
And everytime I sleep you're always there
'Cause you're everywhere to me
And when I close my eyes it's you I see
You're everything I know that makes me believe
I'm not alone. i`m not alone
i Recognize the way you make me feel
It's hard to think that you might not be real
I sense that now, the water's getting deep
I try to wash the pain away from me
Away from me
'Cause you're everywhere to me
And when I close my eyes it's you I see
You're everything I know that makes me believe
I'm not alone
I'm not alone
When I touch your hand
It's then I understand
That beauty lies within
It's now that we begin
You always light my way
There never comes a day
No matter where I go
I always feel you so
'Cause you're everywhere to me
And when I close my eyes it's you I see
You're everything I know that makes me believe
I'm not alone
You're everywhere to me
And when I catch my breath it's you I breathe
You're everything I know that makes me believe
I'm not alone
You're in everyone I see
So tell me
Do you see me?
