Yellowcard, For The Longest Time

Whoa, whoa, whoa, whoa
For the longest time
Whoa, whoa, whoa, whoa
For the longest time

If you said good-bye to me tonight
There would still be music enough to write
What else can I do, I'm so inspired by you
You haven't been there
For the longest time

If you said that I was the one that was wrong
Would I have the strength to carry on?
That's why you found me
When you put you arms around me
You haven't been there
For the longest time
Whoa, whoa, whoa, whoa
For the longest time
Whoa, whoa, whoa, whoa
For the longest time

That voice your hearing in the hall
When the greatest miracle of all
That's where you found me
When you put your arms around me
You haven't been there,
For the longest time
If you said that I was the one that was wrong
Would I have the strength to carry on?
I'll take my chances
I almost got us sweet romances
You haven't been there for the longest time

Whoa, whoa, whoa, whoa
For the longest time(4x)
