Yellowcard, Here I Am Alive

If I could write the kid I was before, I'd tell him you'll get everything you ever wanted but you will still want more

Someone's gonna tell you who you should wanna be so you'll forget the vision that they didn't wanna see and when they give up and cause they will give up say "here I am alive"

They say you don't grow up, you just grow old it's safe to say I haven't done both I made mistakes I know, I know but here I am alive

So many people close to me cut me down this is supposed to be a bad luck town I jumped I fell, I hit the ground but here I am alive

If I could write to myself when I was on top of it all, I'd say you're going overboard and when you fall in you're gonna feel so small someone's gonna tell you that you deserve the worst they'll say you're never comin' back and tell you that you're cursed and when they give up, cause always give up say "here I am alive"

They say you don't grow up, you just grow old it's safe to say I haven't done both I made mistakes I know, I know but here I am alive
