

Yellowcard, On The Brink

Well I'm on the brink of something horrible
Just what it is I'm not to sure
But I can't take it anymore (round 1 fight)

I can't explain the feeling's that I feel,
I'm not even sure that they're for real
Doesn't work to end in sour tales
Go to sleep so I can wake up
Wondering why things are this way
What the fuck did I say
To make you hate me anyway?

I'm on the brink, I lost my self control
I didn't think that this would happen to me anymore
Just want to be a babe for once

I can't explain the feelings that I feel,
I'm not even sure if they're for real
Doesn't work to end in sour tales
Go to sleep so I can wake up
Wondering why things are this way
What the fuck did I say
To make you hate me anyway? (you lose)
