

Yemi Alade, Tomorrow

Nobody knows tomorrow
Stay with me tonight
Popote wendapo
I go dey remember
You go always dey my mind
If you have to leave tomorrow
Stay with me tonight
Popote wendapo
I go dey remember
You go always dey my mind

In 'ah my mind I am looking for the melody
Searching for the rhythm wey go totori
And in my soul I am waiting for the prophesy
I know I know its coming soon.
I dey para, my mind don dey worry for my cheda
I nondey slow down.
Mama told me I go blow like I be vuvuzela
Nobody knows tomorrow

Nobody knows tomorrow
Stay with me tonight
Popote wendapo
I go dey remember
You go always dey my mind
Nobody knows tomorrow
If you have to leave tomorrow
Stay with me tonight
Popote wendapo
I go dey remember
You go always dey my mind

Nobody knows tomorrow
Fit to get money pass Aliko
I dance away my sorrow
I go boune like boy Alinko
Rain or shine , I'll be shinning like a diamond
I no dey gree
From ikeja to miami dem dey dance to my calypso
Oh yeah .
I dey para, my mind don dey worry for my cheda
I no dey slow down.
I'm a winner ,I don blow like I be vuvuzela
Nobody knows tomorrow

Nobody knows tomorrow
Stay with me tonight
Popote wendapo
I go dey remember
You go always dey my mind
Nobody knows tomorrow
If you have to leave tomorrow
Stay with me tonight
Popote wendapo
I go dey remember
You go always dey my mind
