

# Yes, Hearts

(Anderson/Squire/Rabin/White/Kaye)

Hearing - Talking - Yes I - Love you

Set your heart sail on the river  
Look around you as you drift downstream  
Pouring souls into the ocean  
Take account of all you've seen

Hearing  
Talking  
Love you

One people - Together  
Freedom for today  
So easy the future  
So see the children's way

Love me  
Teach me  
Know me

One people - Together  
Freedom for today  
Tomorrow forever  
So see the people's way

Many moons cascade one river  
They light from side to side  
As we cross in close proximity  
Like rivers our hearts entwine  
How we talk - How we teach our children  
How we move - We direct our eyes  
All the senses tuned discovery  
As and as and when our hearts decide  
Be ready now - Be ye circle  
Be the central force ye life  
As the game extends the cycle  
Be ready to move

One heart's for love  
One's for giving  
Two hearts are better  
Than one  
I hearing it  
I living it  
I believe in it  
Two hearts are better  
Than one  
Hearts  
Sailing down the river  
Hearts  
Throwing out a line  
Hearts

Sharing out your fortunes  
Hearts  
In and out of time

Hearing - Talking - Yes I - Love

One heart's for love  
One's for giving

Hearts  
In and out of time

Who would believe you - Wise men do  
Days that we knew it clear with you  
You sing the answers question time  
Now it you need me let our hearts entwine  
Let our hearts entwine

Hearts - Sailing down the river  
Hearts - Throwing out a line  
I hearing it - I living it - I believe in it - I loving it

Hearts  
Two hearts will always be  
In and out of time

Solo

One heart's for love  
One's for giving  
Two hearts are better  
Than one  
I hearing it  
I living it  
I believe in it

Sharing out your fortunes

Hearts  
In and out of time

As we flow down life's rivers  
I see the stars glow - One by one  
All angels of the magic constellation  
Be singing us now
