

Yes, Love Will Find The Way

Love Will Find a Way:
You wanna get close to me
The feeling so clear
But I need some time to see
Vision through my tear
You wanna get next to me
I need your intrusion
I dont need to be
Blinded by confusion
Here is my heart
Waiting for you
Here is my soul
I eat at chez nous
Love will find a way
If you want it to
Love will find a way
Love will find a way for me and you
Love will find a way
Love will find a way
Love will find a way
Love will find a way
So you want to get over me
And thats how you feel
Everything you want to be
Seems so unreal
I want to be all of you
And thats the confusion
Its so hard for me
To draw a conclusion
Here is my heart
Waiting for you
Here is my soul
I eat at chez nous
Love will find a way
If you want it to
Love will find a way
Love will find a way
Love will find a way
If you want it to
Love will find a way
Love will find a way
Love will find a way
I believe that theres a way
If you want it to
Will love find a way
Love will find a way
Will love find a way
Love will find a wa
