

# Yes, Starship Trooper II: Disillusion

(Squire)

Loneliness is a pow'r that we possess to give or take away forever.  
All I know can be shown by your acceptance of the fact there shown  
before you.

Take what I say in a different way and it's easy to see  
that this is all confusion.

As I see a new day in me, I can also show if you and you may follow.

Speak to me of summer, long winters longer than time can remember,  
Setting up of other roads, to travel on in old accustomed ways.

I still remember the talks by the water, the proud sons and  
daughters that,

Knew the knowledge of the land, spoke to me in sweet accustomed  
ways.
