

Yesterdays Rising, To The Readers

I will explain like an ancient myth,
only for the interested.
I will explain like an ancient myth,
only for the interested listener.
I will respect those that listen,
and wait for those who don't.
To find an interest, In a tale of fiction.

The universe I follow. Holds something powerful.

I will explain like an ancient book,
Only for the interested reader.
I'll respect those that listen,
