

YG Hootie, The City (ft. Kendrick Lamar)

I get love in the city
I'm plug in my city
I'm the one in my city
all my real ones with me
I get love in the city
I get love in the city
I get love in the city
I'm plug in my city

my city be gridding
no faking
my city don't rock with them niggas hating
they be hating
I'm the one
I put the city in the
billboard
I'm the one
i got some hitters that'll kill for it
kill for it
you know you don't want beef
we'll cook that
cook that
you know it's a 100 bands in my bookbag
in my bookbag

everything we do is for the city
kill the competition
no pity /2x
me and Kendrick about to run shit
we on 7 days shit
cause we done shit
if I hit a lick
boy, it's more than one lick
if I get a chick, boy
it's more than one chick

I get love in the city
I'm plug in my city
I'm the one in my city
all my real ones with me
I get love in the city
I get love in the city
I get love in the city
I'm plug in my city
I get love in the city
I'm plug in my city
I'm the one in my city
all my real ones with me
I get love in the city
I get love in the city
I get love in the city
I'm plug in my city

my city never want for nothing
never want for nothing
my city love it when I'm hustling
love it when I'm hustling
I flip the merchandise and rotate
I flip the merchandise
I've been a mogul and I'm heavy
I am an enterprise

every time I rep it's whit the extras
I be one one

I be zoning
I be flexing
this shit gotta be all your fault
big body moving
with my name on it
name on it

big body
tell me she going sing on it
me my nigga, Hootie, we gonna make a movie
I got moves to make
officer don't shoot me /2x
California-raised
California-pain
California K's
watch out for the strays
10 toes down
keep it underground
ho we ran it then
now e run it now

I get love in the city
I'm plug in my city
I'm the one in my city
all my real ones with me
I get love in the city
I get love in the city
I get love in the city
I'm plug in my city
I get love in the city
I'm plug in my city
I'm the one in my city
all my real ones with me
I get love in the city
I get love in the city
I get love in the city
I'm plug in my city
