

# Ying Yang Twins, Angels

I sit and wait does an angel contemplate my fate and do they know the places were we go when we  
so when i'm lying in my bed through my head and i feel that love is dead i'm loving angels instead  
chorus:  
and through it all he offers me protection, a lot of love and affection  
whether i'm right or wrong and down the waterfall wherever it may take me i know that life won't break  
when i'm feeling weak and my pain walks down a one way street I look above and i know i'll always  
grow he breathes flesh to my bones and when love is dead i'm loving angels instead  
chorus
