

Yngwie Malmsteen, Crystal Ball

"We hold the secret to a dream
We keep it wrapped in chains
locked inside a mystery
We climb a stairway to the stars
Through doorways of the heart
Step inside the magic stars

Chorus

Gaze into my Crystal Ball
see what lies behind the wall
can't you feel the wonder of it all
You veil your eyes in fantasy
Time to pull the curtain back
Distant worlds, so much to see

Chorus

Gaze into my Crystal Ball
see what lies behind the wall
can't you feel the wonder of it all
I wanna know you, come on let me show you the way
I really wanna hold you, reach out to these hands of fate
This is the moment we've been waiting for...
"
