

# Yngwie Malmsteen, My Resurrection

Ask yourself where you're  
heading for.

Deviate - no need  
to conform.

All it takes is some  
confidence.

Seize the day, it might not  
come again.

Only the strong will survive

Stand tall and never say die

Come out from where you hide

No need to swallow your pride

Only the strong will survive

get up and reach for the sky

Don't wait for no-one and

Don't let your heart be denied

Face the truth and

control your fate.

Set the pace

never hesitate.

All that scares you and

makes you doubt

Break the silence, just

spit it out.
