

Yngwie Malmsteen, Tarot

I don't know for sure
But I've been told
I have lived before
And I'll live again
In a distant land
In the Spirit Realm
Not as the Heathen in the North

Is there a crystal ball
To enlighten me
Anythin at all
to make me see
What the future holds
What has been before
Like the seer from the East
Not as the Heathen from the North
