## Yo La Tengo, From Black To Blue

Several times over several days I wasn't blind, but I acted that way Causing you pain, well now I have to explain As the empty feeling turns from black to blue I can't believe this never happens to you I see it on the TV and I laugh out loud But it's the way I feel right now Cooler than me, my confidence high Reset the scene, no way to deny it Finally I won and then I was undone As the empty feeling turns from black to blue I can't believe this never happens to you I see it on the TV and I laugh out loud But it's the way I feel right now As the empty feeling turns from black to blue I can't believe this never happens to you I see it on the TV and I laugh out loud But it's the way I feel right now
