

Yoko Kanno, Ask Dna

Gummed up, brain dead and can't decide
You can't pray enough, you can't hide
You can be cool or you can cry
Do it wrong
Not it all
Or do it right
No one owes you, no one's to blame
Save for bad genes or DNA
Ask your conscience the why and how
Do it then
Do it when
But, do it now
What's up, sweet cakes?
Who's hip anyway?
Earthgirls are easy
Whatcha gonna do, lil' buckaroo?
(Hey you, better ask her nice!)
All you gotta do, happy fool, is ask your mom
No, we all can't be Superfly GQPhdFBI
You can pretend or you can try
Move ahead
Lay down dead
Or slip on by
When the truth seems so faraway
Buddha loves you and Jesus saves
You need answers for your dismay
Ask yourself
Ask your mom
Ask DNA
What's up, sweet cakes?
Who's hip anyway?
Earthgirls are easy
Whatcha gonna do, lil' buckaroo?
(Hey you, better ask her nice!)
All you gotta do, happy fool, is ask your mom
Kamakamakama ask your mama
Super groover mama Dahli Lama
What's up, sweet cakes?
Who's hip anyway?
Earthgirls are easy
Whatcha gonna do, lil' buckaroo?
Come on!
What's up, sweet cakes?
Who's hip anyway?
Earthgirls are easy
Whatcha gonna do, lil' buckaroo?
(Hey you, you better ask her nice!)
All you gotta do, happy fool, is ask your mom
