## Yoko Kanno, Call Me Call Me

I close my eyes and I keep seeing things

Rainbow waterfalls

Sunny liquid dreams

Confusion creeps inside me raining doubt

Gotta get to you

But I don't know how

Call me call me

Let me know it's alright

Call me call me

Don't you think it's 'bout time

Please won't you call and

Ease my mind

Reasons for me to find you

Peace of mind

What can I do

To get me to you

I had your number quite some time ago

Back when we were young

But I had to grow

Ten thousand years I've searched it seems and now

Gotta get to you

Won't you tell me how

Call me call me

Let me know you are there

Call me call me

I wanna know you still care

Come on now won't you

Ease my mind

Reasons for me to find you

Peace of mind

What can I do

To get me to you

Come on now won't you

Ease my mind

Reason's for me to find you

Peace of mind

Reasons for livin my life

Ease my mind

Reasons for me to know you

Peace of mind

What can I do

To get me to you
