

Yoko Ono, A Little Story

- "once there was this little boy who asked his father,
Would you tell me that old, old story?
Once there was this little boy who asked his father,
Would you tell me that old, old story?
Once there was this little boy and he went to..."

- "mummy...you should remember this more because d'you know why? "
- "why? "
- "i learnt it from my daddy, you know."
- "umm-umm."

- "hah-hah."

- "once there was this little boy who asked his father
To tell him that old, old, old, old, old, old story.
Once upon a time there was this little boy who said,
Would you tell me that old, old story?
Once upon..."

- "you could see...it can end anywhere!
It can end...it's just a little story."
