

# Yoko Ono, Cape Clear

In cape clear  
I saw a little girl crying.  
She said she lost her teddy bear.  
Oh, then, i can get you another one,  
(no) no, (no) no, (no) no,  
(it was) it was (my) teddy bear.

As we were talking  
A cloud passed and cast a pool of light around her.  
I saw that she was not a little girl. (oooh)  
(no) no, (no) no, (no) no,  
(but you are) but you are.

All my life i felt like i was in the middle of an ocean,  
Unable to touch the horizon.  
All my life i was floating on my emotion,  
Not knowing life had its own motion.

In cape clear  
I saw a little girl crying.
