

# Yoko Ono, Don't Be Scared

Don't be scared  
Don't be scared  
Don't be scared to love  
Better to love than never love at all  
Don't be scared

Don't be shy  
Don't be shy  
Don't be shy to tell  
You may lose the chance to tell  
Don't be shy

When your hearts are lit  
Drop your survival kit  
Then you never have to  
Run or split

Sun in the east  
Moon in the west  
This boat's moving slow  
There's no land in sight at all  
Away we go

Don't be scared  
Don't be scared  
Don't be scared to love  
It's better to love than never love at all  
Don't be scared
