Yoko Ono, Don't Be Scared

Don't be scared Don't be scared Don't be scared to love Better to love than never love at all Don't be scared

Don't be shy Don't be shy Don't be shy to tell You may lose the chance to tell Don't be shy

When your hearts are lit Drop your survival kit Then you never have to Run or split

Sun in the east Moon in the west This boat's moving slow There's no land in sight at all Away we go

Don't be scared Don't be scared Don't be scared to love It's better to love than never love at all Don't be scared
